SOUTH TEXAS RENEGADES

January 14-16, 2016 Rally
Lake Conroe KOA
Montgomery, Texas

Montgomery is the third oldest town in Texas and had its beginnings as a trading post in 1826. It has retained its charm and preserved its 19th century historic downtown! Montgomery is also the birthplace of the Lone Star Flag. Dr. Charles B. Stewart, who was also the first to sign the Texas Declaration of Independence, designed the now iconic flag which flies proudly. The Historic District of Montgomery is located one block north of the intersection of Highway 105 and FM 149.

PORT ARANSAS -
 History has it that the Karankawa Indians occupied this area. Then, Cabeza de Vaca probably met them in 1528 in his exploring. Later in the 1800's the Spaniards brought "mesterios" to the island and it became known as Wild Horse Island then Mustang Island.
 There is a legend that a Spanish dagger with a silver spike marks the spot where a chest of gold / jewels was buried by Jean Lafitte.
 Visit the museum to find out more about the history of this area.
